116 University Place New York 3, New Yor

Mr. Lee H. Oswald Box 2915 Dallas, Texas.

Dear Mr. Cawald:

Your letter and reproductions wers turned over to me by the SWP office

I am familiar with reproductions and offset printing processes. It is clear from your work that you are skilled at blow-ups, reversals and reproduction work generally. Do you do may other phases of the process as well as photography? What about layout and art work?

We have access to a small offset shop have in New York. Generally, when we need are open your york one we have taken it there discardly. However there might wave will be occasion when we could eithing your skill for some printing project. In wealth, of course, necessarily have to be a project in which we would a proper that you was any to do not thing the proper and the property of the property

Could you write to me directly at the above address? I would like to know what size oamers you have: how harpe a paper print you can make; how harpe a negative; and say done technical information that you can give us that would help as jodge how your all could be most effective. If you have any questions please that first its little to reapond properly.

Mith best wishes for a year of pros
